WARRANTY

NOTE: The warranty covers the engine (excluding power supply units) and transmission, provided regular servicing and oil changes are performed at an authorized service center or at Turbo Trade d.o.o., with receipts presented. The warranty also covers the vehicle's origin. This warranty applies only to imported vehicles that were not previously registered in BiH.

Parts Covered by Warranty:

Auxiliary Engine Components Not Covered:

Starter, Bosch pump, AC compressor, AC condenser, water cooler, turbocharger, DPF, filters, fuel pump, injectors, timing belt, serpentine belt, EGR valve, and all other parts not included in the engine assembly.

Batteries in mild hybrids, hybrids, and plug-in hybrids are also not covered by warranty.

Consumable parts and all other vehicle parts are also not covered: Clutch set (pressure plate, disc, flywheel, release bearing...) and all other parts not included in the transmission assembly.

Also Not Covered by Warranty:

The customer declares that they have read the warranty text and properly received all warranty attachments, and accepts them without any objections, which they confirm with their signature on the warranty.
