Starter, Bosch pump, AC compressor, AC condenser, water cooler, turbocharger, DPF, filters, fuel pump, injectors, timing belt, serpentine belt, EGR valve, and all other parts not included in the engine assembly.

Batteries in mild hybrids, hybrids, and plug-in hybrids are also not covered by warranty.

Consumable parts and all other vehicle parts are also not covered: Clutch set (pressure plate, disc, flywheel, release bearing...) and all other parts not included in the transmission assembly.

The customer declares that they have read the warranty text and properly received all warranty attachments, and accepts them without any objections, which they confirm with their signature on the warranty.
